SCHOOLS MASTER

Help students navigate their future

to support the school's counselors by facilitating the connections between students and universities through a series of events

SchoolsMaster How it works

Support School students to find their dream university

ALLOWS SCHOOLS, UNIVERSITIES, AND COMPANIES
TO ARRANGE MULTIPLE ACTIVITIES WITH STUDENTS

University Site Events

01

Workshop

Where the university creates a workshop using SchoolMaster and notifies 100 schools locally about instantly.

02

Open day

Students can now get more invitations to university open days through the SchoolMaster mobile app and get accurate information on the agenda.

03

Student for a day

An exciting program which seniors students to experience a full university day, from attending lectures to labs, and meeting current students

04

Competition

All senior students competitions from local and international universities in one place, compete with students from your school and other schools.

Company Site Events

05

Internship

students can find internship opportunities from companies, meet major professionals, understand about different jobs descriptions, requirements, working hours, universities and register their interest all under one roof.

School Site Events

06

University fairs

The powerful insights and analytics tool is available for each university at the platform. It will allow to track key KPIs and address marketing needs correctly.

07

Career talk

Educate senior students about their future careers from market experts and professors, career talk will help senior students understand more about major syllabus, job options
